

# NHSE - SW Annual Development Plan (ADP) - Regional Teaching

April 2025 to March 2026

Last Updated: June 2025

Next Review: April 2026

## Overview

The Specialty Head of School and/or education faculty have provided NHS England SW with a list of courses that are run locally. The list below provides Resident Doctors with the reference codes that are required when claiming expenses through their Trusts.

Please note before any funding can be applied, you must follow the correct application procedure in line with your trust and NHSE SW Study Leave Policies.

Without following the correct procedure your funding will not be approved.

For more information, please read through both policies.
